EXPERIENCE

Mpath Tracks

Assistant Curator

July 2022 – Present

- Supervises and manages album development throughout the production process, from the conception of the brief, to the editing and mixing final deliverables.
- Liaisons with composers and clients to promote and match music to fit client's needs.
- Masters and edits music for clients, including film, advertising, and television projects.

Production Intern

May 2020 – August 2021

- Wrote metadata, updated website, designed album covers, and ran the company's social media accounts.
- Created specialized playlists of MPATH music for corporate campaigns and client-specific needs.

Broadway Plus

Intern

October – December 2022

- Daily and continuous liaising with numerous Broadway/Off - Broadway Box Offices for group sales/VIP experiences.
- Assisted with planning, set-up, and break-down of events and masterclasses featuring industry professionals.
- Office administration and management including drafting contracts and letters.

Berklee Broadway Band

President

September 2021 – May 2022

- Led an orchestra of over 40 student musicians, orchestrators, and board members.
- Planned and produced 3 sold-out orchestral shows.
- Provided students with professional musical theatre experiences, including organizing orchestral and vocal sessions, and opportunities to write and perform new works.

Berklee College of Music Student Government Association

Professional Writing and Technology Representative

September 2021 – May 2022

- Represented the greater student body at meetings with senior administration to implement change within the school.
- Served as the primary liaison between the student government and the professional writing and technology division of the student body.
- Successfully created a grant for identity-based programs and groups on campus and an initiative advocating for gender equality within the university.
